WOOD FORCES TO TRY FOR NEW YORK DELEGATION

Chicago, July 7.—The Wood forces today made a determined effort to swing the New York delegation to the support of their candidate on the first ballot. General Wood was entitled to New York support, they urged, on account of his efforts in establishing the military training camps at Plattsburg.

As a result of the assault made on the New York delegation, the Butler leaders began defensive operations. It was admitted by Butler adherents that the fight to present an unbroken front of the eighty-eight delegates had failed, but they said they were assured that not more than six or eight New York votes would go to Wood.

THIN PEOPLE SHOULD TAKE PHOSPHATE

Nothing like Plain Bittro-Phosphate to put on firm, healthy flesh and to increase strength, vigor and nerve force.

Judging from the countless preparations and treatments which are continually being advertised for the purpose of making thin people fleshy, developing arms, back and bust, and replacing ugly hollows and angles by the soft, curved lines of health and beauty, there are evidently thousands of men and women who keenly feel their excessive thinness.

H. M. LEROU WINS RACE FOR MAYOR'S CHAIR BY ONE VOTE

Herbert M. Lerou, the republican party's candidate for the office of mayor of the City of Norwich won the race for the mayor's chair over Jeremiah J. Desmond, who was out for re-election, by one vote in the city election held Monday. This is the first time in the recollection of many of the older voters of the city, that Norwich has elected a mayor by one vote.

As the returns from the various precincts were being tallied up at the town hall there were fears that the count might show a tie vote for mayor but the final count checked showed that Mr. Lerou had won the election by one vote.

Mr. Lerou received 1,455 votes, while the retiring mayor received 1,454.

With a majority of sixty votes Harold T. Robinson, democrat, was elected city tax collector over James W. Sample, republican candidate for that office.

Mr. Robinson succeeds his father, the late Thomas A. Robinson who held the office for 22 years. He was elected to fill out his father's unexpired term of one year.

The count gave Mr. Robinson 1,487 votes while Mr. Sample received but 1,427.

Mr. Robinson was the only candidate the democratic party elected, the republicans carrying every other office on the ticket, by safe majorities.

The straight republican majority was 71, as shown by the vote for water commissioner.

As soon as the election results had been announced at 5 o'clock Monday afternoon by Moderator Martin E. Jensen, the annual meeting was called to order by the retiring mayor, J. J. Desmond.

As soon as the polls were declared closed at 1 o'clock by Moderator Jensen, the annual meeting was called to order by the retiring mayor and on motion of Corporation Counsel Joseph T. Fanning.
